Welcome!

Hi there, Gem & Mineral community!

Welcome to the London Gem & Mineral Show – the soon to be UK's go-to event for all things geological and sparkly.

First off, a huge THANK YOU for being here this weekend. We're so grateful to have you along for the ride as we dive into a world of stunning gems, fascinating minerals, and plenty of good vibes.

Take your time exploring the amazing stands packed with treasures from our brilliant dealers, chat to the Opal Whisperers from Australia, and pop into the free talks and workshops where industry experts are sharing their know-how.

But honestly, the biggest highlight? It's you – becoming part of our growing community. We're so glad to have you with us.

Have an incredible time, and if you've got feedback, we'd love to hear it – it's what helps us make the show better every year.

Big love,

Alix & Mary

We'd love to hear
